

Table	DimCountries	Description
CountryCode	integer	Unique country code
CountryName	string	Unique country name
Flag	string	Valid or invalid country
Table	DimVisa	Description
VisaCode	string	Unique Visa code
Description	string	Description of the visa
Category	string	Visa category
Table	DimTemperature	Description
dt	timestamp	when the temperature was captured
AverageTemperature	double	Average temperature
AverageTemperatureUncertainty	double	Average temperature uncertainty
City	string	City name
Country	string	Country name
Latitude	string	Latitude of the city,country
Longitude	string	Longitude of the city, country

Table	FactImmigrants	Description
ID	integer	ID of the records
ReportingYear	integer	Year of the dataset exported from US National Tourism and Trade office
ReportingMonth	integer	Month of the dataset exported from US National Tourism and Trade office
CityCode	integer	City code
ResidentCode	integer	Resident Code
City	string	Country name
Resident	string	Country name of resident
PortEntry	string	Port code
ModeofTravel	string	Mode of travel
ArrivalDate	date	Arrivate date of immigrant
DepartureDate	date	Departure date of immigrant
Statecode	string	State code
Age	double	Age of the passenger
VisaType	string	Visa type
VisaCode	string	Visa code
BirthYear	integer	Birth year of immigrant
ValidTill	date	Validity period
Gender	string	Gender details
CarrierCode2	string	2 letter airline carrier code
FlightNumber	string	Flight number of immigrant

Table	DimDemographics	Description
State	string	State name
StateCode	string	State code
City	string	City name
MedianAge	double	Median Age of the US States
MalePopulation	integer	Male population of the city
FemalePopulation	integer	Female population of the city
TotalPopulation	integer	Total Poupulation
NumberofVeterans	integer	Number of veterans
ForeignBorn	integer	Foreigh born count
AverageHouseholdSize	integer	Average House hold
White	long	White race count
Asian	long	Asian count
HispanicOrLatino	long	Hispanic Or Latino Count
AmericanIndianandAlaskaNative	long	American Indian and Alaska Native count
BlackOrAfricanAmerican	long	Black or AfricanAmerican count

Table	DimAirport	Description
ident	string	Identity code of airport
type	string	Type of airport
name	string	name of the airport
elevation_ft	integer	elevation height of the airport
continent	string	continent belongs to
iso_country	string	iso country name
iso_region	string	iso region name
municipality	string	city name
gps_code	string	gps code
iata_code	string	laat code
local_code	string	local code
coordinates	string	coordinates of the airport
CityCode	string	city code

Table	DimCostOfLiving	Description
Rank	integer	Rank value of US States
City	string	City name
CostofLivingIndex	double	Cost of living Value range from 0 to 100
RentIndex	double	Rent value range from 0 to 100
CostofLivingPlusRentIndex	double	Cost of living plus rent range
GroceriesIndex	double	Groceries value range from 0 to 100
RestaurantPriceIndex	double	Restaurant price Value range from 0 ta 100
LocalPurchasingPowerIndex	double	Local purchasing range
CityCode	string	City code

Table	DimPort	Description
PortEntry	string	Unique Port code
PortName	string	Name of the port
City	string	City code
Flag	string	Valid or Invalid Port
Table	DimAirline	Description
Airline Code	integer	Airline code
Airline	string	Airline name
Country	string	Country name
CarrierCode2	string	2 Letter carrier code
CarrierCode3	string	3 letter carrier code
